

“Ballena” Animal Card Game

This game is played like Old Maid. Print out the pictures below and cut them out. The best method is to glue them on to index cards.

Instructions:

Deal the cards. Lay aside any pairs. Player 1 asks player 2 for an animal in Spanish. If he has it, he hands it over. He then has to (without looking) draw a card from Player 1’s deck. Set aside pairs as they come. The last player holding the Ballena (whale) card is the loser.
